01 By the Numbers

19+
Years of Service & Leadership
Christopher's background spans Army logistics supervision, supply chain leadership, procurement governance, asset control, and large-scale operational support.

$110M+
Asset Stewardship
Oversaw enterprise equipment portfolios and accountability systems supporting audit readiness, lifecycle control, and operational continuity.

$3.5M+
Vendor Contract Oversight
Directed contract administration and purchasing operations with disciplined control over procurement processes, accuracy, and financial compliance.

98%
Service-Level Execution
Completed international logistics requests within 20-day service windows while supporting global operations and regional partnership objectives.

02 Highlights

AUDIT RECOVERY · ASSET ACCOUNTABILITY · COMPLIANCE REINFORCEMENT

Recovered $2.6M in Missing Assets

Led a high-impact property audit recovery effort in Greece that reconciled $2.6M in previously unaccounted assets, strengthened accountability controls, and improved compliance performance across supported operations.

Audit Recovery · Asset Reconciliation · Compliance · International Operations

PROCUREMENT · CONTRACTS · FINANCIAL CONTROL

Managed Contracts and Purchasing with Precision

Governed $3.5M+ in vendor contracts and managed $370K+ in procurement activity with zero discrepancies, reinforcing fiscal discipline, transaction accuracy, and procurement integrity in controlled environments.

Contract Governance · Procurement · Financial Accuracy · Government Purchasing

LOGISTICS OPTIMIZATION · COST SAVINGS · OPERATIONAL READINESS

Drove Efficient Movement and Cost Control

Coordinated transport for three major operations involving 113+ assets across five locations with zero loss or damage, while also generating more than $120K in transportation cost savings through strategic movement planning.

Transportation Planning · Zero-Loss Execution · Cost Reduction · Readiness

WORKFORCE DEVELOPMENT · PROCESS IMPROVEMENT · PERFORMANCE ACCELERATION

Improved Team Performance at Scale

Mentored workforces ranging from small specialist teams to 153 personnel, trained staff on inventory and compliance standards, improved logistics performance by 59%, and reduced processing errors through workflow redesign and standardized accountability practices.

Leadership · Training · Performance Improvement · Process Design

03 Experience

UNITED STATES ARMY · FORT JOHNSON, LOUISIANA · GLOBAL LOGISTICS · PROCUREMENT · COMPLIANCE — Oct 2021 — Present

Senior Logistics and Supply Chain Manager

- Leads global logistics operations supporting international European partnerships, aligning supply chain execution, compliance, and delivery readiness to large-scale organizational objectives.
- Managed accountability, compliance, and training for more than $1M in high-value equipment while reinforcing inventory control and regulatory adherence.
- Recovered and reconciled $2.6M in missing assets during a major international property audit in Greece, strengthening accountability processes and compliance posture.
- Completed 98% of international logistics requests within 20-day service windows and organized a multinational logistics conference to improve regional coordination and distribution strategy.
- Managed $370K+ in procurement transactions with zero discrepancies and led a 153-member team through mentorship, performance oversight, and structured workforce development.

UNITED STATES ARMY · VARIOUS LOCATIONS · OPERATIONS PLANNING · SUPPLY CHAIN · TRAINING SUPPORT

Sep 2018 — Oct 2021

Logistics Operations Manager

- Managed logistics planning, supply chain coordination, and training support for 800+ personnel across 11 cross-functional teams.
- Led planning and transport execution for three major operations, moving 113+ assets across five locations with zero loss, damage, or mission disruption.
- Recovered $472K in lost inventory and reduced property loss by 50% through a structured accountability initiative spanning 11 departments.
- Mentored 13 team leads in supply operations and inventory management, strengthening team capability, supervisory effectiveness, and execution discipline.
- Reduced processing errors by 25%, trained 90+ personnel on compliance, and implemented a centralized accountability system that increased audit readiness by 95%.

UNITED STATES ARMY · VARIOUS LOCATIONS · CONTRACTS · PROCUREMENT · ENTERPRISE OVERSIGHT

May 2016 — Sep 2018

Senior Supply Chain Supervisor

- Served as a senior advisor for logistics and supply chain operations within a 760-person organization, overseeing contract administration, procurement, and enterprise asset accountability.
- Led a six-person supply team and governed $3.5M in vendor contracts while directing purchasing operations across multiple accounts and cardholders.
- Eliminated more than 1,000 surplus assets to improve inventory visibility, reduce excess, and strengthen enterprise tracking accuracy.
- Coached six entry-level supply professionals managing $110M+ in equipment and reinforced readiness for internal audits and accountability reviews.
- Resolved 98% of outdated travel records and delivered logistics software training to 64 personnel across three business units to improve data integrity and compliance.

UNITED STATES ARMY · VARIOUS LOCATIONS · ASSET MANAGEMENT · AUDIT READINESS · PROCESS STANDARDIZATION

May 2013 — May 2016

Logistics Supervisor / Asset Manager

- Managed logistics and asset control operations for an organization responsible for more than $62M in equipment and materials.
- Maintained accountability across 26 department-level accounts with zero discrepancies during audits and leadership transitions.
- Achieved a 100% compliance rate during internal and external audits through disciplined controls, documentation practices, and operational oversight.
- Developed and implemented a standardized asset management procedure that ensured full accountability of $12M in equipment during international operations.
- Delivered process training to 35 employees and enabled more than 30 cross-functional teams to meet asset readiness and reporting requirements.

UNITED STATES ARMY · VARIOUS LOCATIONS · FOUNDATIONAL LOGISTICS · CONTRACT ADMINISTRATION · MISSION SUPPORT

Oct 2006 — May 2013

Logistics Supervisor

- Directed logistics supervision, asset management, contract administration, and procurement operations in high-tempo mission environments.
- Strengthened inventory control practices and supported complex equipment transfers to sustain cross-departmental operational readiness.
- Built the execution foundation for later enterprise leadership in asset governance, supply chain coordination, and accountability enforcement.

04 Credentials & Qualifications

Vendor certifications are holder-asserted unless a live issuer check succeeded

PROJECT LEADERSHIP

Project Management Professional (PMP)

PMP-backed project discipline reinforces Christopher's ability to structure initiatives, manage stakeholders, maintain execution rigor, and align delivery to measurable outcomes.

LOGISTICS EXCELLENCE

Demonstrated Master Logistician (DML)

Advanced logistics credential reflects deep professional capability in supply chain leadership, enterprise accountability, operational planning, and mission-critical execution.

PROCESS IMPROVEMENT

Lean Six Sigma Green Belt

Supports Christopher's strong record in reducing errors, improving process flow, strengthening performance standards, and reinforcing continuous improvement across logistics operations.

SYSTEMS & READINESS

GCSS-Army, Joint Logistics, MRT-F

Professional development includes SAP GCSS-Army, Joint Logistics Course, and Level 2 Master Resilience Trainer-Facilitator, reinforcing systems fluency, logistics doctrine, and leadership resilience.
