## 01 By the Numbers

**20+**
**Years of Leadership**
Career history spans cyber operations, IT project management, readiness planning, training execution, budget support, and cross-agency coordination.

**80+**
**Assessments Supported**
Leads and supports high-value security and compliance assessment activity across FedRAMP, NIST SP 800-171, and StateRAMP engagements.

**500+**
**Enrollments Coordinated**
Managed large-scale course coordination and readiness scheduling across more than 25 cyber training offerings and multiple mission stakeholders.

**7 of 20**
**Teams Accelerated to FOC**
Helped drive the final 7 of 20 Cyber Protection Teams to Fully Operational Capable status six months ahead of projected schedule.

## 02 Highlights

CYBER COMPLIANCE · ASSESSMENT LEADERSHIP · CLOUD SECURITY

### Leads Complex Multi-Framework Security Assessments

At Coalfire, LaZira serves as a Senior Technical Consultant and Lead Assessor supporting assessment scope development, test execution, artifact review, and reporting across FedRAMP, NIST SP 800-171, and StateRAMP client environments.

FedRAMP · NIST SP 800-171 · StateRAMP · Cloud Security

CYBER READINESS · JCC2-R · EXECUTIVE REPORTING

### Drove Readiness Visibility for Senior Command

At Peraton, she delivered data-driven readiness reporting for the Cyber Mission Force and Army units, helping senior leadership identify readiness gaps, track JCC2-R implementation, and align decisions with mission priorities.

JCC2-R · Data Visualization · Executive Briefings · JIRA

TRAINING OPERATIONS · DCO · PROCESS AUTOMATION

### Improved Training Readiness at Scale

While supporting Perspecta's CMF training and JQR management mission, LaZira coordinated 25+ courses and 500+ enrollments, aligned schedules across multiple organizations, and automated manual processes to save 40 work hours per week.

Training Sync · DCO Readiness · Process Automation · Budget Support

ARMY CYBER LEADERSHIP · READINESS · CONTRACT OVERSIGHT

### Strengthened Operational Capability Across Army Cyber Teams

Her Army roles included readiness leadership, cyber defense management, contract oversight, and systems administration, including guiding teams toward IOC/FOC milestones, managing contracts worth more than $7M, and building durable training and tracking systems.

IOC / FOC · DCO · $7M Contracts · SharePoint Systems

## 03 Experience

COALFIRE · EVANS, GEORGIA · CYBER COMPLIANCE · ASSESSMENT · CONSULTING

Jul 2025 — Present

### Senior Technical Consultant

- Leads third-party security and compliance assessments for client service offerings using regulatory frameworks, industry standards, and security best practices.
- Coordinates assessment stakeholders, defines scope, supports assessment execution, and develops reports and deliverables for clients.
- Helped prepare for more than 80 assessments across FedRAMP, NIST SP 800-171, and StateRAMP efforts over a 36-month period.
- Reviews and drafts key deliverables including security assessment plans, reports, and risk-focused documentation while maintaining project quality and schedule alignment.

PERATON · AUGUSTA, GEORGIA · CYBER READINESS · PROJECT LEADERSHIP · EXECUTIVE REPORTING

Feb 2023 — Jul 2025

### Technical Project Engineer, Senior Advisor

- Led cyber readiness initiatives for the Cyber Mission Force and Army units, delivering visual reports to three-star command and identifying readiness concerns with actionable recommendations.
- Spearheaded JCC2-R implementation tracking through JIRA and data visualization to align progress with strategic objectives.
- Facilitated senior stakeholder meetings, reviewed project status and milestones, and helped drive timely decision-making across project teams and leadership.
- Developed executive presentations, anticipated risk, and led complex projects with notable operational and organizational impact.

PERATON · AUGUSTA, GEORGIA · PCTE · DCO TRAINING · JQR DEVELOPMENT

Dec 2021 — Feb 2023

### Simulation Support Planner

- Designed realistic network environments within the Persistent Cyber Training Environment to support Defensive Cyber Operations training for the Cyber Protection Brigade.
- Developed, documented, and maintained Job Qualification Record content for DCO work roles.
- Led Host Analyst Basic, Senior, and Master JQR content development efforts while exceeding project milestones.
- Ran daily standups and collaborated with leadership and clients to align work status, milestones, and requirements.

PERSPECTA · AUGUSTA, GEORGIA · TRAINING MANAGEMENT · READINESS COORDINATION · BUDGET SUPPORT

Jul 2019 — Dec 2021

### CMF Training and JQR Management

- Coordinated more than 25 courses and 500+ enrollments while adapting execution to evolving COVID-19 requirements and mission timelines.
- Automated manual data management processes, reducing workload by 40 hours per week.
- Facilitated bi-monthly DCO training synchronization meetings across multiple components to align resources, requirements, and readiness calendars.
- Supported government MIPRs and PR&Cs, collected technical and budget data, and prepared reports and presentations for leadership.

U.S. ARMY · AUGUSTA, GEORGIA · READINESS LEADERSHIP · CONTRACTS · SYSTEMS ADMINISTRATION

Oct 2016 — Jul 2019

### Brigade Training Readiness and Exercise Chief

- Served as the brigade subject matter expert for training readiness and exercise matters.
- Spearheaded tracking and management of Cyber Force Mission Training requirements, helping the final 7 of 20 Cyber Protection Teams reach FOC six months ahead of projections.
- Designed and maintained a SharePoint-based database for enrollment, roster tracking, attendance, and historical analysis.
- Managed four accounts and contracts worth more than $7M while ensuring compliance, budget accuracy, and administrative control.

U.S. ARMY · AUGUSTA, GEORGIA · CYBER DEFENSE · MISSION COMMAND · READINESS BUILDOUT

Jul 2013 — Oct 2016

### Cyber Network Defense Manager

- Played a key role in the newly created cyber mission organization by coordinating manning, equipping, and training for multiple Cyber Protection Teams.
- Helped establish both Initial Operational Capable and Fully Operational Capable status for the Cyber Protection Team.
- Led and directed Defensive Cyberspace Operations to protect friendly networks through detection, identification, and response actions.
- Prepared project and mission presentations, coordinated with external stakeholders, and supported joint and combined operations.

U.S. ARMY · IT PROJECT MANAGEMENT · INFRASTRUCTURE · POLICY

Jul 2007 — May 2012

### IT Project Manager

- Maintained signal support systems and provided technical guidance to commanders, staff, and subordinate personnel.
- Developed information services policies and procedures and delivered training on Microsoft Office, Windows Server, and Amazon Web Services.
- Led annual lifecycle projects upgrading more than 500 PCs, reducing hardware costs and improving system performance.
- Strengthened infrastructure, help desk, application development, account management, and maintenance operations through disciplined execution and collaboration.

## 04 Credentials & Qualifications

Vendor certifications are holder-asserted unless a live issuer check succeeded

SECURITY & COMPLIANCE

### FedRAMP, NIST 800-53, NIST SP 800-171, StateRAMP

Current consulting work centers on assessment leadership, cloud security evaluation, scope development, testing coordination, and formal report delivery across high-trust frameworks.

CORE CERTIFICATIONS

### CISSP · PMP · ITIL 4 Foundation

Professional credentials reinforce LaZira's blend of cybersecurity depth, structured project delivery, service management discipline, and leadership in mission-driven environments.

CYBER OPERATIONS

### DCO, JCC2-R, PCTE, JQR Program Management

Extensive background in defensive cyber operations, readiness reporting, simulation support, qualification record development, and operational alignment across Army cyber organizations.

LEADERSHIP & EXECUTION

### Executive Communication, Contract Oversight, Data Analytics

Combines project leadership, stakeholder engagement, technical analysis, and disciplined execution to move high-visibility initiatives from planning through delivery.

## 06 Let’s Put LaZira To Work

Best aligned for senior cyber compliance, security assessment, cyber readiness, technical project management, DCO support, cloud security governance, and mission-critical roles that require disciplined execution, stakeholder fluency, and trusted delivery in regulated or federal environments.

## 07 Education

SYRACUSE UNIVERSITY

### Master of Science · Information Management

Graduate-level education supporting leadership at the intersection of information systems, cyber operations, project delivery, and organizational decision-making.

SAINT LEO UNIVERSITY

### Bachelor of Arts · Business Administration (Technology Management)

Foundational academic preparation in business and technology management complements LaZira’s deep operational experience across Army and enterprise cyber environments.

ACCUMENTUM®

### Project Management Professional (PMP)

LinkedIn reflects PMP preparation through Accumentum, reinforcing structured planning, stakeholder alignment, milestone control, and disciplined project execution.

ACCUMENTUM®

### PeopleCert ITIL® 4 Foundation

Service management training complements LaZira’s consulting and delivery background by strengthening process discipline, service alignment, and operational consistency.

PathPay funds the path. PathPass gets you through the exam. PathLock keeps the letters. PathProof shows the work.

Accumentum confirms the training and practical work completed with us. Certifications are listed by the professional, and many can be checked with the issuing organization in one click.
