03 Experience

CACI INTERNATIONAL INC · FAYETTEVILLE, NORTH CAROLINA METROPOLITAN AREA · PROJECT MANAGEMENT · GOVERNMENT CONTRACTS — Jul 2023 — Present

Project Manager

- Support the management of multiple government contracts totaling approximately $4.5M, helping lead daily operations, project schedules, financial performance, stakeholder coordination, and delivery execution.
- Collaborate directly with government and internal stakeholders to plan, execute, monitor, and deliver cross-functional projects, including scope, timelines, budgets, milestones, resource allocations, and client communication plans.
- Serve as a key point of contact for client communications, risk mitigation, issue resolution, and project coordination across internal teams and government stakeholders.
- Bring a structured approach to project management by balancing operational execution, financial visibility, stakeholder engagement, and performance outcomes in a high-expectation government contracting environment.

CACI INTERNATIONAL INC · FAYETTEVILLE, NC · C5ISR · LIFECYCLE SUSTAINMENT · OPERATIONS — Jun 2020 — Jul 2023

Operations Resource Manager

- Managed lifecycle sustainment tracking for more than 5,000 systems and ancillary kits while providing daily updates to the Government Program Manager.
- Supported Joint Warfighter C5ISR systems across more than 90 CONUS and OCONUS locations, requiring accuracy, coordination, mission awareness, and operational follow-through.
- Supported system integration, sustainment, testing, fielding, training, and maintenance activities for systems deployed across strategic and tactical environments.
- Maintained visibility into equipment status, sustainment needs, operational timelines, and resource requirements so leadership had accurate information for decision-making.

CACI INTERNATIONAL INC · FAYETTEVILLE, NORTH CAROLINA METROPOLITAN AREA · USSOCOM · DATA MANAGEMENT · COMPLIANCE

Jun 2016 — Jun 2020

Operations Data Management Specialist

- Supported USSOCOM programs by facilitating procurement actions, lifecycle sustainment coordination, system integration support, training requirements, contract administration, and program team operations.
- Provided project coordination and administrative support across complex contracts and program teams, helping maintain schedules, prepare weekly reports, respond to data calls, support audits, and keep stakeholders informed.
- Conducted QA/QC reviews and audits to ensure compliance with government regulations and ISO standards, supporting documentation accuracy, process adherence, and audit readiness.
- Trained and mentored technicians on project and compliance requirements, strengthening team execution and standardization.

L3 COMMUNICATIONS NSS · FAYETTEVILLE, NC · PROCUREMENT · LOGISTICS · GFE

Sep 2012 — Jun 2016

Purchasing Analyst / Logistics Technician

- Supported lifecycle sustainment and training missions through procurement, logistics coordination, vendor engagement, material accountability, and government documentation management.
- Managed and prioritized purchase requisitions in accordance with Statements of Work and government requirements, coordinating materials, equipment, and mission-support resources from request through receiving, inspection, and accountability.
- Coordinated vendor activity, inspections, receiving, material tracking, and Government Furnished Equipment accountability for CONUS and OCONUS operations.
- Prepared and processed DD1149s, DD2062s, 3161s, and DRMO documentation through the F-Doc process, and supported COMSEC and CCI shipment preparation, verification, and compliance.
