// Empowering Professionals with Expert Training & Industry Certifications

As a passionate and dedicated leader in the technology and training industry, I have built a career on helping individuals and businesses achieve their professional goals. With over two decades of experience in IT, management, and customer service, I am driven by a commitment to empower people through education and training.

I am the founder and President of Accumentum®, a forward-thinking training platform that provides tailored solutions to help professionals upskill and earn industry-recognized certifications. We specialize in helping people achieve their dreams in areas like networking, cybersecurity, cloud technologies, and more. Our goal is to close skill gaps and unlock opportunities through a learner-centric approach that balances flexibility, hands-on learning, and expert guidance.

I've always believed in the power of mentorship and community. At Accumentum®, we not only provide top-tier training but also cultivate long-lasting relationships, making sure we're with our learners every step of the way. We are open to partnerships, and I love connecting with like-minded professionals who share a passion for technology, innovation, and personal growth.
